

"Do not fear, Enoch, you righteous man and scribe of righteousness. Come here and bear my voice."

"Let's swear an oath, together. Let's bind ourselves with a curse, so none of us backs out before it's done."

There were two hundred angels who descended ...

... in the days of Jared, landing on the summit of Mount Hermon.

... they swore the oath and sealed it with a curse.

All the other angels took human wives, each choosing one for himself.

Semjâzâ taught spell-casting and root-cutting for magic.

*Azâzêl taught people to make weapons,
swords, knives, shields, and armor*

The women became pregnant and gave birth to giants

The giants turned on humanity and began to eat people instead

"Bring our case before the Most High!"

"Go to Noah and tell him in my name..."

A flood is coming upon the entire earth ...

...and will destroy everything on it.

...the whole earth will be destroyed

...and will destroy everything on it.

...the whole earth will be destroyed

Bind Azazel hand and foot and cast him into darkness...

The path of stars and lightning sped me forward.

I saw all the secrets of the heavens: how the kingdom is divided, and how human actions are weighed in the balance.

I recorded their positions as he displayed them to me, writing down their months as they appeared, and the appearance of their lights until fifteen days were completed

I saw how the winds stretch out the vaults of heaven and have their position between heaven and earth. These are the pillars of heaven.

I saw till the Lord of the sheep came unto them and took in His hand the staff of His wrath, and smote the earth

*I saw that a white bull was born, with large horns and all the
beasts of the field and all the birds of the air feared him*

*I saw till those sheep were satisfied; and that house
stood amongst them in the pleasant land.*

At the ends of the earth, I saw twelve portals open to all quarters of heaven

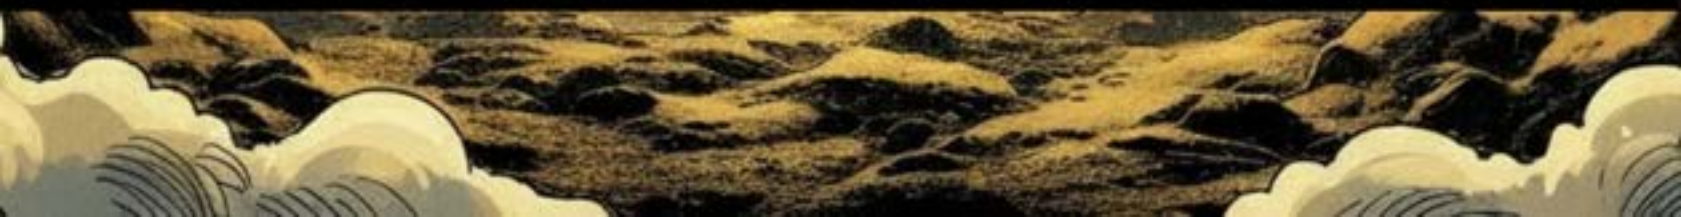

I watched as a star suddenly fell from the sky, and after landing, it rose up and began to eat and graze among the oxen

*I saw one of those four who had come forth first, and he seized
the star that had fallen from heaven*

*I saw other lightnings and the stars of heaven, and
I saw how God called them all by their names*

*I witnessed where they lived with righteous angels,
where they rested with holy ones.*

Then the kings and rulers of the earth will attempt to bless and praise the one who now reigns, he who was once hidden from the world.

The sun and stars bring in all years with perfect precision, neither advancing nor delaying their position by a single day forever

The books of the living lay open before Him, with all the angels and heavenly counselors standing around

*The sun changes often, bringing either blessing or curse.
The path of the moon is light to the righteous and darkness to sinners*

*On that day, My Elect One will sit on the
throne of glory and judge their deeds*

At the ends of the earth, I saw twelve portals open to all quarters of heaven

At that time, the Son of Man was named in the presence of the Lord of Spirits and before the Head of Days.

Then Enoch spoke to the children of righteousness: 'Listen to your father's words, my sons. Pay careful attention to what I say. I urge you, my beloved ones, love what is right, and walk in it'

*Now, my son Methuselah, I will show you all the visions
I have seen, recounting them before you*

2 ENOCH

'Take courage, Enoch, and do not be afraid. The eternal God has sent us to you. Today you will ascend with us into heaven.'

“Let Enoch stand before my face for eternity.”

In the middle of the trees stood the tree of life, in the place where the Lord rests when he ascends into paradise.

"Let them distribute the books you have written, children to children, generation to generation, nations to nations."

The Lord's throne is incredibly vast and not made by hands

Take courage, Enoch, do not be afraid.” Then they showed him the Lord from a distance, seated upon His exceedingly high throne

Enoch 3

*He gave me 365 eyes, each one shining with the
brilliance of the great luminary, the sun*

The Holy One, blessed be He, replied to them and said, 'My servants, my hosts, my Cherubim, my Wheels, my Seraphim, do not be offended by this'

*Above them are SEVENTY-TWO PRINCES OF
KINGDOMS on high*

He brings forth the Case of Writings that contains the Book of Records

He who sits upon the Divine Chariot opened the windows above the heads of the Cherubim

*My flesh became flames, my sinews turned to burning fire,
and my bones changed into coals of blazing juniper*
